Memo

To: All Agency Heads and Chief Fiscal Officers
From: Greg S. Griffin, State Auditor 
Date: June 9, 2014
Re: Contract Payments to Nonprofit Organizations

The Department of Audits and Accounts is compiling a listing of all contract payments to nonprofit organizations made between July 1, 2013, and June 30, 2014. This information will be included in the Report of State Organization Contract Payments to Nonprofit Organizations for the year ended June 30, 2014. The report will be provided to the General Assembly in early 2015. In order to summarize the information in time to present it to the General Assembly, we are requesting that you respond to this memorandum no later than August 15, 2014. The Official Code of Georgia Annotated, Section 50-20-5 requires that "state organizations entering into agreements with nonprofit organizations shall report to the state auditor all such agreements and shall provide each individual nonprofit organization's name, fiscal year end, contract amount, and other information as required by the state auditor." State organizations are defined to include "all departments, boards, bureaus, commissions, authorities and other such organizations whose financial activities and balances are included within the State of Georgia Comprehensive Annual Financial Report".

In an effort to improve the efficiency and accuracy of this project and make data submission easier for agency officials, the Nonprofit Contract Submission web-based application is available at <https://www.audits.ga.gov/auth> to submit the data to be reported in the Report of State Organization Contract Payments to Nonprofit Organizations. Please bookmark this website for future reference. For those of you who are familiar with our Federal Expenditures and/or Salaries and Travel data entry procedures, the format of the NPO Contract Submission application is very similar. Should your staff like to receive the instructions for using this application, please have them submit a/their request by email to npo@audits.ga.gov. Please note that even if your agency does not contract with nonprofit organizations, we request that you use this application to provide us with this information. However, for

your convenience, if your agency and/or any of your attached agencies/entities have no NPO contract data to report, a written response may be provided.

We have listed several areas that you should review prior to starting the data submission application.

- The Official Code of Georgia Annotated (OCGA), §50-20-8(b) identifies contracts not subject to the provisions of O.C.G.A. §50-20. Please do not report contracts which meet the exception criteria.
- Entities that are not considered to be nonprofit organizations should not be reported when using the Nonprofit Contract Submission application. Examples of contracts not reported as part of this process would be those with (1) county governments, municipalities, other political subdivisions, regional commissions (formerly regional development centers) which have separate reporting requirements to DOAA; (2) local boards of education or local school systems; (3) community service boards; (4) housing authorities (unless a housing authority creates a nonprofit organization, then the contract to the nonprofit organization should be reported); (5) any entity that is part of the State of Georgia reporting entity, including units of the University System of Georgia; and (6) federal government agencies.
- Please review the contact information for all nonprofit organizations for which you are reporting contract data. The Federal Employer Identification Number (FEIN) and the date of the organization's fiscal year end should also be reviewed very carefully. The FEIN should be reviewed to ensure that the contract data is entered for the correct nonprofit organization. The date of the organization's fiscal year end will be used to determine their compliance status with requirements of O.C.G.A. §50-20.
- Review contract dates. Our application will not allow contract payments outside of the fiscal year being reported. For multiple year contracts, only the payments made for the reporting fiscal year should be included. Please note that we are requesting that the information you submit cover contract payments made during the entire State Fiscal Year 2014.
- Review award amounts to ensure that amounts reported agree to agency records.
- Review contract purposes for completeness. Examples of incomplete purposes are renewal of contract/grant, extension of contract/grant, increase funds, and amendment to contract/grant. Also, abbreviations should be properly defined.
- Due to the volume of contract payments entered, please allow sufficient time for completing the submission process by the specified deadline, keeping in mind that several steps may require DOAA approval prior to submission of your contract data.
- If your contract/grant agreement with nonprofit organizations specifies that the NPO's financial statements should be submitted to DOAA, please include our current mailing address:

The Nonprofit Contract Submission application described above was implemented during the reporting of the contract data for the fiscal year ended June 30, 2007. Most state organizations have since complied with state law and provided the necessary information. The Report of State Organization Contract Payments to Nonprofit Organizations will indicate which state entities as well as any administratively attached state organizations did not comply with O.C.G.A. §50-20-5.

The Official Code of Georgia Annotated, Sections 50-20-1 through 8 provide auditing and reporting requirements for nonprofit organizations contracting with entities of the State of Georgia. Depending on the amount of expenditures from federal or state funding sources, nonprofit organizations are required to submit audited or unaudited financial statements to the State Auditor and each contracting state organization within 180 days of the close of its fiscal year. Please review these code sections and familiarize yourself with the responsibilities of state organizations contracting with nonprofit organizations.

If you have any questions or require any additional information, please email npo@audits.ga.gov or contact Jackie Neubert at (404) 651-8938. Thank you in advance for your cooperation.
